Important - if using a Sat Nav, we recommend that you review the last few steps of the journey as they are not covered by your Sat Nav.
From Fakenham take the A148 going east directed towards Cromer. Pass through Snoring. At 5 miles on the A148 on the left, you will pass a public house called 'The Crawfish'. Stay on the road rising up the hill for another 1⁄2 mile. Immediately over the rise of the hill (on the left-hand side is a fenced small grass mound which is a water pumping station). 50 yards past the pumping station you will see a signpost 'Gunthorpe'. On the right-hand side, you will see a large pair of wrought iron gates on stone pillars. Turn right here with the gates on your right. Head down the small country lane with trees on the right-hand side and fields on the left for 1⁄2 mile. At the second bend on the right-hand side is a high beech hedge with an entrance in the middle and a signpost. This is the beech hedge entrance to Gunthorpe Hall.
